## La Familia I

**Content:** 24 cards

**Description:** This set of 12 pictures and their corresponding names is designed to help the students learn the family. The simplicity of the drawings is enticing for both youth and adults.

**How to use the cards:** a) As tools to introduce new vocabulary. b) As flash cards. c) *Memory game* or *Juego de Memoria*: Place a given number of pairs face down (picture card with corresponding name card). During his/her turn, the student turns two cards; if they match (i.e., picture and name) the student keeps them; if not, the cards are placed back face down and it is the next student's turn. The student who has the most number of pairs wins. d) *Flyswatter* or *Matamoscas*: Tape the picture cards to a wall. The students are divided into two teams forming two lines. Give a flyswatter to the first student on each team. Name one of the picture cards and the student who *swats* the correct card first wins a point for his/her team.

**Note:** Color the shirt of the main character, Pepito, to help identify him.
